from inc com s most popular columnist a counterintuitive but highly practical guide to finding and maintaining the motivation to achieve great things it s comforting to imagine that superstars in their fields were just born better equipped than the rest of us when a co worker loses 20 pounds or a friend runs a marathon while completing a huge project at work we assume they have more grit more willpower more innate talent and above all more motivation to see their goals through but that s not at actually true as popular inc com columnist jeff haden proves motivation as we know it is a myth motivation isn t the special sauce that we require at the beginning of any major change in fact motivation is a result of process not a cause understanding this will change the way you approach any obstacle or big goal haden shows us how to reframe our thinking about the relationship of motivation to success he meets us at our level at the beginning of any big goal we have for our lives a little anxious and unsure about our way forward a little burned by self help books and strategies that have failed us in the past and offers practical advice that anyone can use to stop stalling and start working on those dreams haden takes the mystery out of accomplishment proving that success isn t about spiritual awakening or a lightning bolt of inspiration as tony robbins and adherents of the secret believe but instead about clear and repeatable processes using his own advice haden has consistently drawn 2 million readers a month to his posts completed a 107 mile long mountain bike race and lost 10 pounds in a month

success isn't for the uniquely qualified it's possible for any person who understands the true nature of motivation jeff haden can help you transcend average and make lasting positive change in your life
